SITE PLAN REQUIREMENTS

Applicants for single-family, and modular homes may use the diagram below to show the location and setbacks for principle and accessory structures.

NOTE: If the property is a corner lot, it will be subject to two(2) front setbacks and two (2) side setbacks. If the property is located on a major thoroughfare, arterial street, or collector street, it will be subject to increased front setbacks

Provide Setback Dimensions. Each building must be shown with dimensions between the buildings.

NOTABLES:
The SHHOA Office must be notified upon completion of said project
If additional time is required to complete your project, estimated time needed to complete work must be requested from the SHHOA Office (not more than 120 days can be given)
Only one extension per project will be given
Appeals for a second extension can be made before the SHHOA Monthly Board Meeting
