In the event the Dedicator, or its designated representative, fails to approve or disapprove within thirty (30) days after plans and specifications have been submitted to it, or in any event, if no suit to enjoin the construction has been commenced prior to the completion thereof, approval shall be deemed to have been given. Fences, walls and hedges, but no building or structure of any other character may be erected and maintained on such easements, provided (1) that such fences, walls and hedges, do not interfere in anyway with the use of such easements (2) that such public utilities may at any time without liability to the owner, remove any such fence, wall or hedge where the removal of the same is incidental to the performance of its public service operations. Dedicator shall have the right to vacate the easements appurtenant to any lot, provided such vacation shall not prevent access by utilities then occupying any such easement to any lot shown on said plat.

8. GENERAL:

- A. Dedicator reserves the right from time to time as it may see fit by amended dedication or otherwise, to redivide and replat any property shown on the attached map not theretofore sold by it; to change the size of any lot or lots shown in this or any subsequent dedications or map of said property; to change the minimum "floor plan" for residences, as provided in Section 5; to change the location of streets and easements prior to the time the same shall actually have been opened up for public use or availed of by the public utilities, all without the consent of any person owning any of the property described hereinabove; provided, however, that no change (1) shall operate to deprive any then owner of any of such property of reasonable access to his property or (2) shall result in reducing the frontage or depth of any lot or plot now shown on the attached map to a number of feet less than the frontage and depth of the smallest lot or plot shown on the attached map or (3) shall permit a minimum "floor plan" of any residence as provided in Section 5 of less than 700 square feet.

- B. In the event of any dispute over the proper interpretation of any of the provisions of this dedication, the determination of Dedicator shall be final and binding on all interested persons.

  - D. The restrictions herein set out shall be referred to, adopted and made a part of each and every contract and deed executed by and on behalf of Dedicator conveying said property, or any part thereof, for all intents and purposes as though incorporated in full therein.
  - E. All of the restrictions, covenants, reservations appearing herein, as well as those appearing in any contract, deed or other conveyance to or covering any part of this property, shall be construed together, but if any one of the same shall be held to be invalid, or for any reason is not enforced, none of the others shall be affected or impaired thereby, but shall remain in full force and effect.

- A. Each purchaser of a lot or lots in this or future dedications by Dedicator, its successors and assigns, shall become a member of the Association, a non-profit corporation to be organized for the purpose of maintaining parks, ways, lanes, roads channels, marine facilities, security protection, and other services for the common benefit of its members. All owners of a lot or lots shall be required to be members of the Association and to pay when due, such dues, fees, and charges as The Association shall find necessary for the maintenance of the facilities and services, including but not limited to the maintenance of roads, ways, parks, channels, marine facilities and any other services and benefits which The Association may provide for the benefit of the lots, facilities, and members. 51 percent of the voting stock of The Association shall be retained by Dedicator until such time as the voting rights shall be transferred to the membership at large, in accordance with the by-laws of The Association.
  - B. This requirement may be waived by Dedicator in the case of lending institutions that may bid said property in at any foreclosure sale brought by them without regard to such membership restriction, nor shall it apply with respect to a transfer of such property pursuant to a duly probated will or by virtue of intestacy, pursuant to the Statutes of the State of Texas. In the event of refusal to pay such dues, fees and charges of The Association or in the event of a transfer of title by virtue of foreclosure, probate of Will or intestate succession, Dedicator, its successors or assigns, shall have an absolute right and option to purchase said lot from the violating owner or any such transferee or transferees in the event they shall decide to sell, transfer or convey the same at the same price and on the same terms of any good faith offer to purchase acceptable to such owner or transferee.
  - C. By the acceptance and retention of title to any lot in the Sky Harbour Addition, each Grantee, his heirs and assigns, does hereby covenant and agree that The Association, its successors and assigns, shall have a lien upon the subject lot or lots, second only to liens for taxes and any duly-recorder mortgage, to secure the payment of the aforementioned dues, fees, and charges, including court costs and reasonable attorney's fees incurred in connection with the collection of the same, it being agreed and understood that this covenant and agreement shall be in addition to and shall not be affected by such contracts, security agreements, and applications as such Grantees, their heirs or assigns, may enter into with The Association.
  - D. Each owner of a lot in said Addition, his heirs and assigns, shall be assessed the sum of \$3.00 per month for the maintenance and operations of The Associations services and facilities until Dedicator has transferred the voting rights in the stock to the membership at large; thereafter, such assessment shall be determined by The Association in accordance with its by-laws, and neither Dedicator nor any corporation or other entity with substantially the same ownership and control as

Dedicator shall ever be assessed by The Association for any unimproved lot owned by it or transferred to a corporation or other entity with substantially the same ownership and control.

- B. Only The Association heretofore referred to, its successors or assigns, may file suit to collect any of the charges and expenses mentioned in these restrictions, covenants, and conditions to enforce foreclosure of any lien therein granted, and said suit to be filed in any court of competent jurisdiction and with venue to be in Hood County, Texas.
